## Other Notes

"We just wanted to say how much we appreciate everyone's generosity in celebrating our new baby boy. We are so blessed to know how loved our little one is already by everyone in our church family, and we are just so thankful for the time, money, and energy from everyone. Thanks again."  
– The Goodwins

"Thank you for all you did for our Daddy (George Klyne Bowman) and for our family. I appreciate all that you have done." – Deborah Ekstrom

"Dear Christian Family,  
Thank you very much for all your expressions of love, concern and prayer on my behalf. Luckily, there was just a break in my big toe. While there was trauma in the whole foot, the ankle was not broken as first reported. I am to keep movement of this foot to a minimum for 6 weeks and then I hope to resume golf." – Ray Reiss

## Reaching Farther

Reflect on this question: Do my reactions to things going on around me let others know that I have a relationship with God?

## Moving Closer

Commit to handing over to God the things that cause worry and anxiousness.

## Growing Deeper

Commit Philippians 4:4-7 to memory.
