## Scripture Reading

When Israel was a child, I loved him, and out of Egypt I called my son. The more they were called, the more they went away; they kept sacrificing to the Baals and burning offerings to idols. Yet it was I who taught Ephraim to walk; I took them up by their arms, but they did not know that I healed them. I led them with cords of kindness, with the bands of love, and I became to them as one who eases the yoke on their jaws, and I bent down to them and fed them.

(Hosea 11:1-4 ESV)

## Reaching Farther

How have our experiences with God equipped us to minister to others around us?

### Moving Closer

Knowing about God is not the same as knowing God. Think about the ways we have experienced God in our own lives and what we learned from those encounters.

### Growing Deeper

God has rescued us and taught us to walk. Spend time this week thanking God for his love and care for us as he has helped us as we continue to stumble in walking behind him.
