

Announcements

Plans are being made to return to passing communion the way we used to prior to Covid. This means that we will need volunteers to prepare communion each week, and volunteers to serve. If you would be willing to help with this, you can sign up in the foyer. The individual communion packets will still be available to pick up in the foyer for those who prefer that option.

Please join us, for a baby girl shower for **Melissa and Chad Dobbs, this afternoon from 2-3**. We hope you can come as we show Chad and Melissa how excited we are for the arrival of **Kyleigh Lynn!**

We are adding additional elders to our church family. We are asked to suggest names of those we believe to be qualified and that we would like to see serve and place those names in the box in the foyer. Names will be accepted through **May 2nd**.

Plans are being made for our **Community Family Fun Day**. Please mark your calendars for **June 12th**.

The Wednesday Morning Ladies' class is sending care packages to college students. If you have students you would like to receive a package, please give their name and address to Carylton Watson by **Wednesday, April 21st**.

Scripture Reading

Now may the God of peace who brought again from the dead our Lord Jesus, the great shepherd of the sheep, by the blood of the eternal covenant, equip you with everything good that you may do his will, working in us that which is pleasing in his sight, through Jesus Christ, to whom be glory forever and ever. Amen.
(Hebrews 13:20-21 ESV)

Reaching Farther

Who can I lead to Jesus?

Moving Closer

Will I be a person who can say, “Be imitators of me as I am of Christ?”

Growing Deeper

Read and reflect on Hebrews 13:20-21 and what it means to have a God who will equip us for his purpose.

Mask Update from the Elders

With the Governor lifting the mask mandate this past week, we have decided that wearing a mask in worship is no longer considered a requirement, especially for those who have received the Covid vaccine. We think that it might still be a good idea to continue to wear your mask if a) you have not received the vaccine or b) if you feel more comfortable in continuing to wear a mask. In every instance, however, whether mask or no mask, we are confident that each will continue to be respectful and thoughtful of others as we continue to navigate this change.
